

Road Condition Reports

Road or Highway

Conditions

Reported by

Rt. 22 NY. Between Petersburg and New Lebanon (25 miles)	The road is extremely rough (bumps and ruts). Speeds above 40 are not possible. (if you want to keep your teeth)	John Dwan
NJ Turnpike	The center (cars only lanes) are closed between exits 7 & 8 both north and south bound. Traffic is shunted to the outside lanes resulting in heavy delays.	John Dwan
I-691 west bound	I-691 w/b which has the lane seams separating causing some <u>severe EDGE TRAPS</u> for motorcycles, especially between lane 2 and 3. Also construction at exit for shopping mall has lane closed and merging to next left lane.	Rich Mayhew
